REPLY

(To be written on this margin.)

Office of the Dewan of Mysore.

NOTE.

Dated.....31st August.....191 8

2 *The Chief Secretary will kindly bring up for consideration before Council, proposals for the future use of the Bungalow occupied by the late Dr. R.Iyengar, opposite the Maternity buildings.*

1.9.18.

The Chief Secretary.

3 Mr. B.G.S.Acharya Officiating Superintendent of the Minto Ophthalmic Hospital, has been permitted to occupy the building temporarily.

4 In another file the question of laying down certain rules as to the grant of free houses to Medical officers has been considered, and it is suggested that it is not necessary that the Superintendent of the Minto Ophthalmic Hospital should be given free quarters.

5 There was a proposal to give the building in question to the Ladies' Club on certain terms but the Club does not consider it suitable for ~~their~~ purposes.

6 Some other use has to be found for the building.

The following courses are open -

(i) To use the building for residential purposes for officers of Government on payment of rent. Perhaps Mr. B. G. Srinivasacharya may himself like to continue in the House on these terms. Mr. Humza Hussain recently wrote for permission to occupy 'West Bank' There will be no difficulty in finding tenants. The rent will be fixed by the Chief Engineer under the usual rules.

(ii) The building may be used for the locatio of Government Offices now held in rented building or of new offices for which accommodation is required.

5

required.

The offices of the Economic Conference at 'Ringwood' the office of the Secretary, Industries and Commerce Committee in the High Ground, part of the Comptroller's Office, are offices that might be so shifted.

8 Additional accommodation is also wanted in connection with the Scheme of Separation of Judicial and Executive Functions in Bangalore District.

9 Before deciding this question the ground plan of the building will have to be obtained, and the sufficiency and suitability of the accommodation for the particular office in question examined.

10 Additional accommodation in connection with the Maternity Hospital ~~itself~~ seems to be required and it may be considered whether this building may be used for that purpose.

If Dr. Govindarajulu shifts to this building her present quarters which is in the same compound as the Hospital may be used for the extension of the Hospital.
